Hammonds, has an extensive adult criminal history that began at the age of 19. His convictions include carry loaded firearm: public place, multiple robberies, illegal possession of a concealed firearm, soliciting lewd acts, multiple felon in possession of a firearm, prohibited possession of ammunition, robbery -use of a firearm, possession marijuana for sale, and fugitive from justice. Hammonds has served multiple state prison terms the longest a 12 year term for robbery -use of a firearm. Hammonds was released from state prison to the supervision of the Los Angeles County Probation Department on January 17th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2013 after Hammonds absconded from post release community supervision (PRCS). Hammonds qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a firearm by ex-felon, falls under the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
